Dimensions with side panels (without side panels - 40 mm)

An attended counter display case of highly variable design for the sale of goods.

The front vertical hardened glass and the top hardened glass shelf enable tilting. The sides are glazed with non-hardened glass. The profiles and holders are made with Al elox profiles. The display surface of the refrigerated tub is of stainless steel design, the case body is formed by decorated laminated wood-chip boards. Lighting by means of AL line lamps fitted with up-to-date LED chips. Pressed stainless trays or pastry trays for display of goods can be supplied on request.

The guarantee period of the product is 12 months. Guarantee and post-guarantee repairs are carried out by the producer or, after an agreement, by the service centre in the place of the user.

Producer reserves the privilege for changeover.
